

Campus Location

Directions to the UTSA campus, Business Building:

From downtown San Antonio, take I-10 West toward El Paso. Exit onto Loop 1604 and take the La Cantera exit which is the first exit after getting on Loop 1604. At the stoplight instead of turning right onto La Cantera (as you would to go to Fiesta Texas), turn LEFT onto John Peace Blvd. which is not very clearly marked. You will be heading inside Loop 1604. Continue on John Peace Blvd. until you see the colorful Business Building on your right with the orange fourth floor. Parking Lot 4 will be directly across the street from it.
